

Benutzeroberfläche einer einfachen(!) eMail-Anwendung (eMail-Client)

[Start] [E-Mail lesen] [Ende]

Empfänger

Betreff

Die Nachricht

Der Anhang

The diagram shows a simplified email client interface. At the top, there is a menu bar with three buttons: "[Start]", "[E-Mail lesen]", and "[Ende]". Below the menu bar are four main sections: 1. "Empfänger" (Recipient) with a text input field. 2. "Betreff" (Subject) with a text input field. 3. "Die Nachricht" (The Message) with a large, empty rectangular text area. 4. "Der Anhang" (Attachment) with a text input field, a "Durchsuchen..." (Browse...) button, and a note "(Nur .jpg-Dateien bis 50'000 Bytes Größe!)" (Only .jpg files up to 50,000 bytes size!). At the bottom of the attachment section is a "senden" (Send) button.
